## Two Girls Made to Stand Nude Before MINERS' EYES Gang Raiding Home

One Member of "Law and Order" Mob Who Is Shot Down by Brave, Marshal Is Found to Be Town's Peace Officer; Rigid Investigation Declared Forthcoming

With Wage Figures of U. S. Secretary

OS ANGELES April 24.—An in quest over the body of M. B. Mosher of Inglewood, who was shot and killed by a town marshal late Saturday night when the marshal attempted to halt a raid by masked men on an inglewood home, will be held at Inglewood tomorrow morning. The district attorney announced that William S. Coburn, grand goblin of the Ku Klux Klan and W. G. Price, king kleagle, would be summoned to testing.

PITTSBURG, Pa., April 24.—Demonstrations against non-union miners on their way to work marked the prosress of the coal strike in the Faysette county region today. Several men were hurt, none seriously, and two women were arrested and taken to the county jail in Uniontown.

The first demonstration took place near the mine of the Amend Coarcompany, four miles from Unnotonial where a crowd of strike sympathizers in which there were a number of women armed with pokers and pepper shakers, met the men on their way to work. There was something of a scrimmage before the state police arrived and dispersed the crowd, arrested Mrs. Louis Cedman and Mrs. Caroline C. Rebo.

Bridgemen Work Under Water to Get Out Bodies From Automobile

Arrangements for the funeral of Mrs. Anna Olsen McKay, wife of James Gunn McKay of Huntsville and her eight-months-old son, James Gunz McKay, Jr., who were drowned at 1 o'clock vesterday afternoon when an automobile driven by Mr. McKay went through the railing of a detour bridge in Ogden canyon and into the river will not be made until the arrival in

Orden of Moroni Olsen, brother of Mrs. McKay, who left New York last night, it was said today. Mr. Olsen is said to have left New York immediately after he was noti-fied by telegraph of the fatal ac-

WANT BLAME FIXED

WANT BLAME FIXED

Moroni Skeen, chairman of the beard of Weber county commissioners said this morning that he will informing the state road commission of the accident and has asked the beard to make a rigid investigation of the circumstances surrounding the crash through the bridge and to fix the blame, if anyone is responsible.

Mr. McKay escaped from the car after it crashed into the water. The car attempted to enter the detour bridge just above the Hermitage, smashed the railing and then felt into the water below.

Mr. McKay managed to climb out just after the car struck the water and was pulled to safety by bridge workers. Before Mrs. McKay and the baby could be taken out, the car, which had lodged for a few moments

which had lodged for a few moments below the bridge, was carried down-stream and rolled over and over, for a distance of nearly 300 feet. Mrs. McKay and the baby were drowned before workers could get them from the wrecked machine.

MEN PROVE HEROES Heroic efforts were made by bridge corkers to get the bodies from the creck, which had lodged against a

wreck, which had lodged against a rock the swift current of the river almost entirely covering it.

Elmer Jensen 22 years of age, 1947. Van Buren avenue, Ogden, and Benny Edmundsen, 21 of Kansas City, employed as laborers on the bridge jumped into the swift current and brought the healing to the species. the bodies to shore. The task was difficult owing to the bolling river and ropes were tied around their walsts. Diving under water they succeeded in opening the door of the car and bringing out the body of Mrs. Mc-Kay and the baby. The body of the baby was liberated from the car when the body of Mrs. McKay was taken out and was just starting to float down-stream when Edmundsen gripped its

CALL FOR LUNG MOTOR The men and the bodies were pulled to shore by the ropes and Dr. G. W. Terrell of Ogden immediately began working on Mrs. McKay. While h-applied artificial respiration he sent a hurry call to the Ogden fire depart-ment for a lung motor. Through a misunderstanding, however, the de-

# BUILDING PLANNED

WASHINGTON, April 24 .- Plans for he erection in Washington of the \$1,600,000 building as the home of the national academy of sciences amb the national research council and secenter for American science in all its fields were announced today by Dr. C. Walcott president of the nation; L. Walcott president of the national academy, at the opening session of its meeting here. The building, which is expected to be completed by a year from next fall. Dr. Walcott said, is a gift of the Carnegie foundation of New York. Facing the Lincoln memorial in Potomac park, from the structure, it was said will

## DEACONS REFUSE TO LET FILM STAR MAKE SPEECH

NASSAU, N. H., April 24.— Virginia Pearson, motion picture actress who has to have spoken at the First Baptist church last night, was prevented at the last minute by the deacons for "the good of the church." A crowd that filled the auditorium for the first time in its history had appeared to hear Miss Pearson tell of "efforts to raise the moral

standard of the stage." She was invited to speak by the pastor, adding that the action of the deacons was "apparently the work of people who think that actors and actresses are damned forever."
